

CAPITOL HISTORY GATEWAY EXHIBIT SPONSORSHIP GUIDELINES

Deadline: **January 31, 2025**

Purpose: Exhibit sponsorships are available to help eligible organizations design and fabricate an exhibit highlighting Oregon stories. The exhibit will physically be on display at the Oregon State Capitol for a specified period (starting in 2026) and at least one other location in Oregon. A virtual version of the exhibit will also be housed on www.oregoncapitol.com starting at a mutually agreed upon time between July 2025 and June 2026. This sponsorship is funded by the Oregon State Capitol Foundation, a non-profit organization.

The sponsorship application must be submitted by the established guidelines.

Timeline: There is one cycle of applications for the 2025 program. Four or more projects will be selected for this cycle.

Applications must be postmarked or delivered by **January 31, 2025**. The review panel will make its decision during a March meeting. Sponsorship agreements will be mailed in the weeks after the decision and will include exhibition dates and work scope deliverables.

Awards: Awards will range between \$200 - \$7500.

Matching Requirements: A dollar match is not required, however a project with in-kind or cash match makes the application more competitive.

Application Submission: Please fill out the form, print, sign and add attachments (including the narrative, supporting docs and projected finances) and send in the application.

Professional Requirements: The application must convey that work will be completed using appropriate museum practices.

Number of Applications: An organization may submit only one application per cycle.

Capitol Exhibit Space Description: When the Capitol reopens in 2025, the open space will be approximately 10'X10', located on the first floor of the Capitol, just south of the rotunda and adjacent to the information desk in the Oregon State Capitol. The unsecured space is open to the

public and includes a humidity controlled, locked case. The exhibit must be free-standing and use of the humidity-controlled case is required (3' D x 5' L x 1.5' H).

Eligible Projects: The sponsorship supports projects that highlight the museum or organization's stories and asks visitors to explore more by visiting the museum or site.
