1.	Project goals align with CHG program goals and core values. <u>Goals:</u> • Increase participation in Oregon's democracy. • Increase interest in Oregon's history, and especially in the history of government. <u>Core Values:</u> • Feature our State Capitol as "The People's Building" • Educate people • Preserve the past • Showcase individuals and events • Reflect our diversity • Demonstrate the worth of remembering what has gone before.		Please award one score for this entire section, not the individual bullet points.
2.	Project themes and messaging align with the CHG interpretive messaging: • The quality of my life has been and continues to be shaped by what happens in Oregon's government. • It is people [like me] that make a difference by shaping history in ways that make a difference in the quality of life we [I] enjoy. • It is easy to get involved in Oregon's democracy. • Oregon has long been a fertile ground for ideas and innovation, resulting in groundbreaking achievements that affect people within and outside the state. • It is important and of value for you [me] to know Oregon's history. • You can discover stories of the past by 'reading' it in the world around you.		Please award one score for this entire section, not the individual bullet points.
3.	Applicant has provided enough detail, narrative, and description to make a case for a good exhibit.
